Magnificent Blackmore and Langdon Hybrids

KUNDERD GLADIOLUS FARMS

GOSHEN, INDIANA, U. S. A.

Bright Spots in Your Victory Garden

Brilliant ORIENTAL POPPIES

**DAZZLING BEAUTY
FOR SPRING**

LARGE STRONG ROOTS

What is more beautiful than a bold mass of these majestic flowers with their large flower cups in bright oriental colors? May and June is their blooming season. They grow 2½ to 4 feet tall and do well in any open, sunny position. Good, deep, loamy soil is the best. ORDER as many of one kind as you wish of these up-to-the-minute varieties.

CAVALIER—Nopal red flowers with crinkle petals.

Erect stems, with good rich green foliage. 34 inches.

CERISE BEAUTY—Cerise color blooms. Plant grows very well, reaching a height of 32 inches. A favorite.

ENFIELD BEAUTY—Large cherry pink variety on tall erect stems. English introduction. 44 inches.

GOLD OF OPHIR—Magnificent new Neeley Hybrid. Golden orange tone. The very first of this color. Very attractive.

MANDARIN—Chinese red color of good size and substance. Large cup-shaped bloom. 36 inches.

MRS. PERRY—Lovely shade of bright strawberry pink.

One of the finest early introductions. 36 inches.

OLYMPIA—Earliest poppy to bloom. Double type flower. Flame scarlet bloom. 32 inches.

PRINCE OF WALES—Light coral pink flowers. Unusual size and form. Good mid-season blooming variety. 28 inches.

SASS PINK—A recent introduction. Large flesh pink. Intense red blotches. Fine texture. 40 inches.

TRILBY—Richest scarlet red. One of the late varieties to grow. 48 inches.

Extra Large Blooms Beautiful Colors

Oriental Type Iris

YOUR SELECTION 6 for only \$1.50 POSTPAID

The most beautiful of all Iris are of the Japanese type. The flowers differ from the other types of Iris, being flat, and lacking the upright standards of the ordinary German Type flowers. The flowers are very large, attaining a size from 8 to 10 inches across. Fine for cutting. Their beauty around small lakes and ponds excel any other type plant for this purpose.

- MAKE YOUR OWN SELECTION OF VARIETIES — AS MANY OF ONE KIND AS YOU WISH**
- ASTARTE**—Beautiful double dark violet. A very late variety and blooms when most of the other varieties are gone. A strong grower.
- HERCULE**—One of the double varieties that is very popular in the garden. Clear lilac-blue shade. Large flowers.
- KAGARI-BI (Torch Light)**—Strong growing six petal variety. Chinese red color with veins of yellow on each petal. A striking effect.
- LA FAVORITE**—A very large white, veined blue on petals. Intense rich purple center. Outstanding as a free flowering variety.
- MAHOGANY**—Velvety mahogany red. Petals crested. One of the late blooming varieties. Large double flowers.
- MARJORIE PARRY**—Attaining a height of 36 inches. Extra fine double, soft mauve color. Beautiful tufted center.
- MOMYI NO TAKI**—Early flowering six petal type. One of the largest dark red flowers with a rich golden center. Fine.
- NEPTUNE**—Very strong three petaled variety. Flowers of a rich mahogany red cast.
- PATROCLE**—Beautiful single dark violet variety. Surpasses any variety in this color and type.
- REPSIME**—Giant double flowers. Light blue color with wide white margins. Very attractive and most unusual.
- ROSE H. SHEEPERS**—Double type flower. Color of a most unusual shade of mauve gray, overlaid blue.
- SEACREST**—Six petaled, big and waxy, frost white with a deep blue shaft. What a pleasing combination of colors.
